

# THE HEALTHY VILLAGE AT SAINT FRANCIS HOSPITAL,

in partnership with Community Health and Well-Being, is dedicated to addressing the social needs of the community and the patients at Saint Francis Hospital.

Introducing the new **Healthy Village Equity Center (HVEC)**, a service comprised of the CARES, Tiny Steps, Everyday Essentials, Emergency Meal, and Surplus Food programs. Located in the former Saint Francis Hospital gift shop, the HVEC offers a wide range of services for community members in need.
