A red arrow points to the "SEPA - UptoDate" link. Below the bookmarks is a "Files" section with a link to "User Home Directory" (Network File Share). At the bottom, the "Terminal Sessions" section is visible. The Windows taskbar at the bottom shows several open applications, including "Inbox - Microsoft Out...", "CME Brochure.pdf - A...", "UpToDate Enhancem...", "Document2 - Microsof...", "UpToDate", and "Mercy Virtual Extrane...".

You can enter a search string or if you want to receive CME credit for your search, Log In with your UpToDate username and password.

Please Note: Once the upgrade to Windows 7 is complete we will implement changes to facilitate single sign on. What this means for you is that **once** you Log In to with your UpToDate username and password you will not need to Log In again when accessing UpToDate remotely. Watch for the announcement!

Note the CME credits at the top and your name at the bottom.

The screenshot shows the UpToDate website interface. At the top, the browser address bar displays "https://my.che.org/ - New Search - Windows Internet Explorer". The UpToDate logo is visible in the top left. A navigation bar contains links for "New Search", "Patient Info", "What's New", "Calculators", "CME 13.5", and "My Account". A red arrow points to the "CME 13.5" link. In the center, there is a "New Search:" box with a search input field, a "Search in another language" link, a dropdown menu for "All Topics", and a search button. Below the search box, there is a "Drug Interactions" link. At the bottom of the page, a footer contains copyright and license information. A red arrow points to this footer text.
